AN UPDATE FROM OUR SPORTS...

Update from Amy on the current focus of FSAT:

- A group of FSAT Members participated in the September IST group trip to O'Brien Icehouse in Melbourne.
- Skaters joined in on Skate School lessons, attended figure sessions and had private lessons.
- We had two of our FSAT members pass their Aussie Skate Badges - congratulations! A very commendable achievement given our limited contact with the ice.
- Coaches Abby and Amy are looking forward hosting some off ice and social activities soon.
- FSAT really appreciate the support and opportunities that IST are providing to help keep our skaters together, and on the ice.

Update from Kerrie on the current focus of IHT:

- A group of our juniors who were away for Inline nationals, booked out a local Ice Rink for a game of ice hockey, plenty of smiles after this!
- IHT have now completed their 2022 - 2025 Strategy Document and will be presenting it to IHT members in the near future, as well as Ice Hockey Australia.
- IHT have also drafted a new constitution, to stay updated with the latest model rules in Tasmania, this will be refined over the next couple of weeks, and then voted on at the next AGM to be held later this year.
- Significant consultation is underway with several Ice Hockey Training providers on the mainland to start organising all sorts of training e.g. coaching, goalies, referees and players.
- IHT committee members undertaking sports governance training.
- Tassie Inline teams have returned from Brisbane with our some amazing team results, and many already planning for next year.
