NEWSLETTER

Issue 7 - 27 June 2022

Welcome to the 7th Edition of Ice Sports Tasmania Inc.'s newsletter; keeping our ice sports community connected and up to date while we secure a future home for our sports.

Big rink update

IST Inc. is pleased to share we have met with a representative of State Growth who has confirmed there is a lot of work going on behind the scenes within government to determine the next steps in the future of our sports.

Importantly, we recognise that building a new ice sports facility is a big project. We appreciate that the needs of our athletes, sports and community are being carefully considered as the future planning is being prepared. This doesn't guarantee or deny us a new rink, but it's great to know there are dedicated and determine brains in the trust. We understand that the process will take time to make sure we 'get it right' for our current and future athletes and community.

In the meantime, we want to thank you for your patience, and messages of support as we continue to represent you. We also encourage you to keep the questions coming, keep sharing your thoughts, ideas and connecting with each of the IST team and of course, with IHT and FSAT.

You can reach us here: team@icesportstasmania.com.au or via the Facebook page messenger function. We look forward to hearing from you.

Whilst we are allowing the government process to take its course, IST Inc. is spending time raising money and creating opportunity to support skaters who want/need to stay connected to each other and to their sports. This might be in the form of local off ice activities and interstate travel to skate.

This coming weekend, Anna Holliday (President, IST Inc.) will spend time back in Melbourne meeting with a range of supporters of the Tasmanian Ice Sports community. This includes Geoff Henke OA and Chair of the Winter Olympic Institute of Australia!

What a great privilege and opportunity to take him up on his offer to learn from him and all of his decades of relevant knowledge and experience! Whilst there, Anna will look for all opportunities to help strengthen our sporting community and help us achieve our goals.
